The newsletter for members of Hadleigh Chamber of Commerce

## Hadleigh4U.co.uk - or is it?

We have decided to tell the world about what's on offer in Hadleigh....what you, the Chamber members, are selling, doing, marketing from Hadleigh.

With our new website - Hadleigh4U.co.uk - we will give space to all our members, now at record levels or nearly 80.

Each will be listed and linked to their own sites. A downloadable map will show where they are and listings by category will show what they do.

The web spec is currently out for tender from professional suppliers, including any of our own members who are in the web-designing business, and we hope to have it up and working in the run-up to Christmas.

This as an important trade promotion where we can bring customers in to the town, specifically to the shops, services or businesses being run by Chamber members. But you have to support the Chamber to get the benefit. We will shamelessly

feature and promote members - those who support the organisation that sets out to work for them.

It is not too late to join and take advantage of this major marketing development, but the plans are being drawn up now. It will cost you £20 for membership to run until the end of 2005 with no extra charge for worldwide advertising on the web.

If you want to know more, come to the Chamber of Commerce Annual Meeting
